

A de-risking blueprint for pension plans

+ Case study: ICI Pension Fund

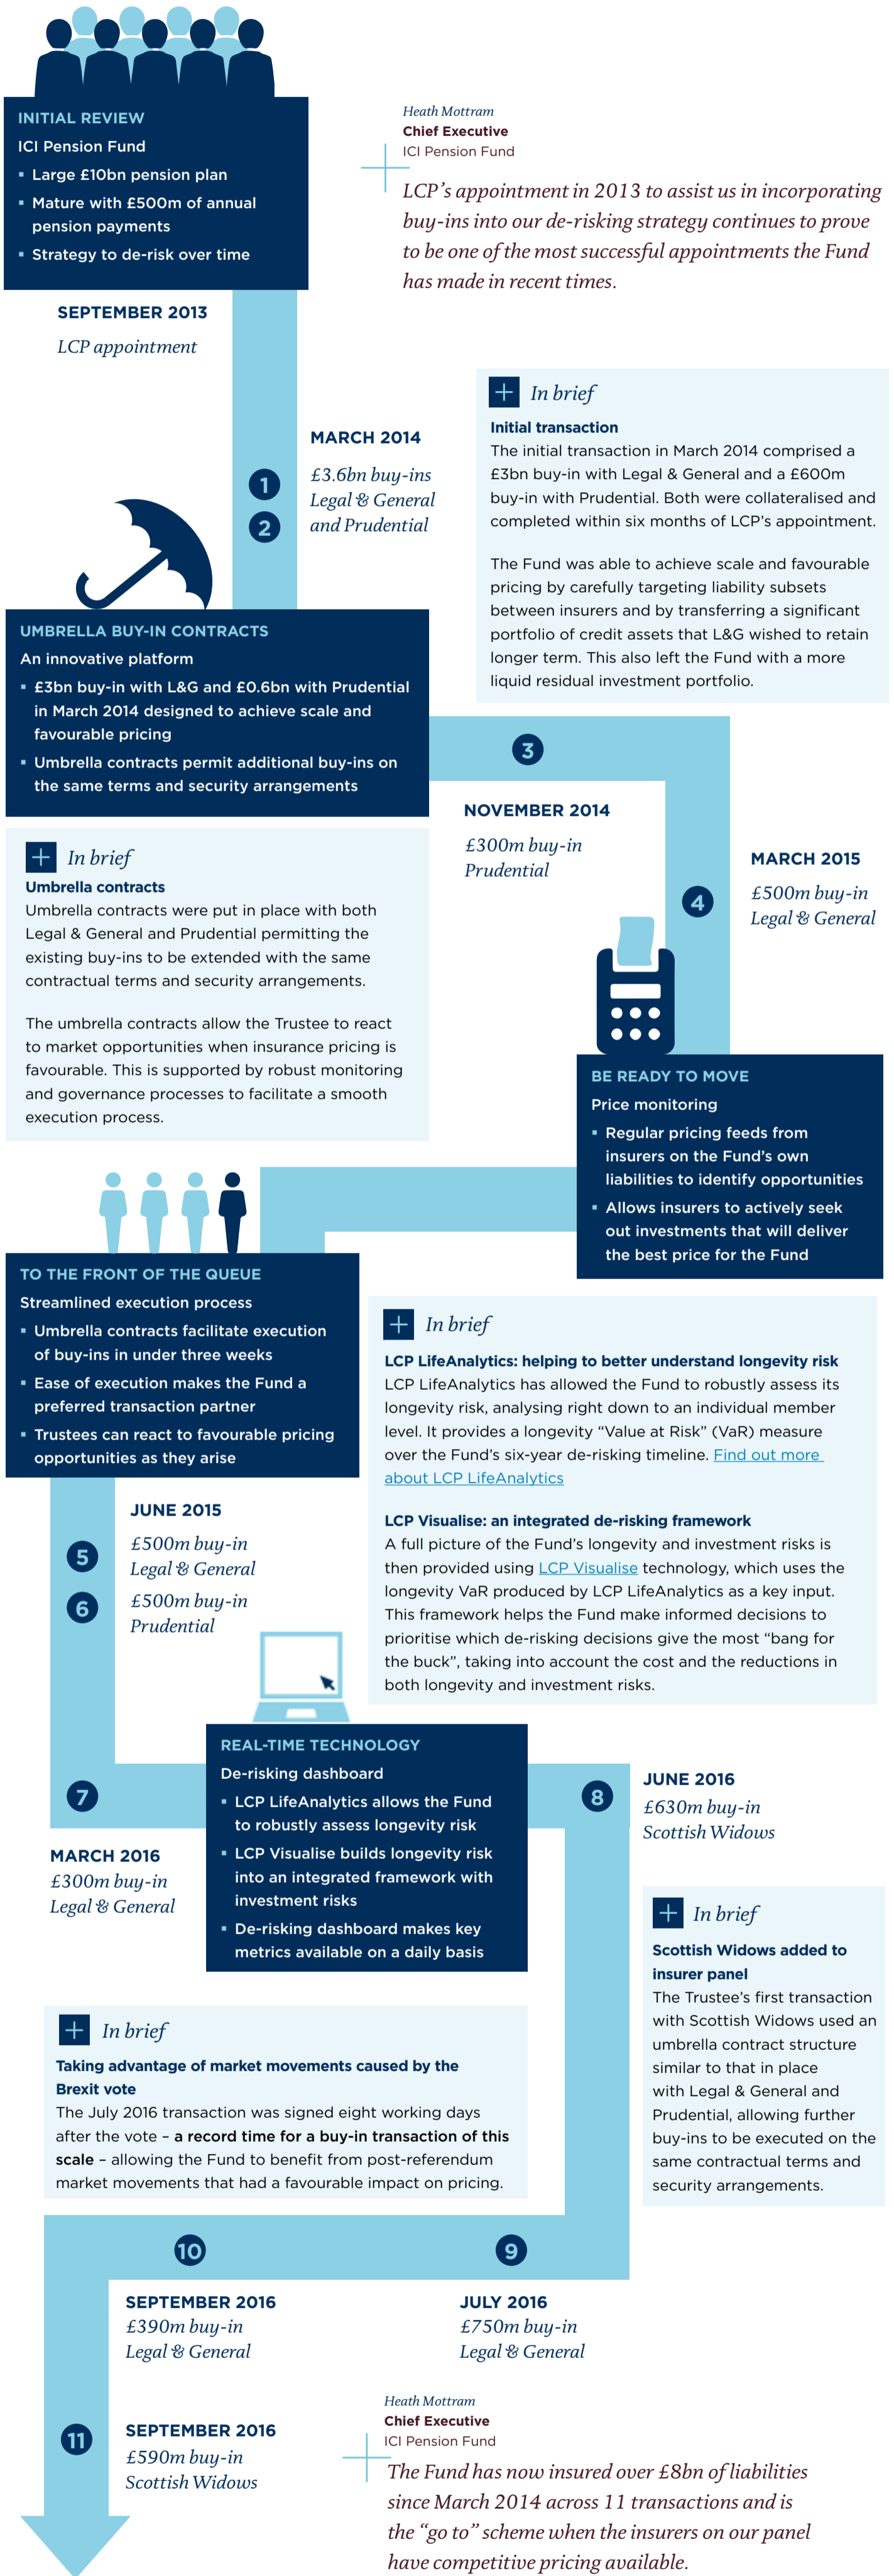

Background

The ICI Pension Fund is one of the largest and most mature DB pension plans in the UK.

- £10bn UK pension plan with c56,000 members
- 80% of liabilities are in payment with £500m of annual pension payments
- Broadly 95% hedged against interest rates and inflation
- Longevity identified as dominant risk

LCP is working with the ICI Pension Fund to progressively insure longevity risk at attractive levels. Explore their journey below.
