

# LCP Media Briefing

*LCP: informed, insightful and independent media commentators on pensions, investment and insurance issues.*

LCP is a firm of financial, actuarial and business consultants well placed to offer journalists informed and insightful comment and ideas across its specialist areas – pensions, investment, insurance and business analytics. Specialist areas include:

- Pressures on DB pension schemes – funding, deficits, investment returns;
- Pension freedoms, pensions taxation changes;
- Auto-enrolment, pensions administration & comms;
- Longevity, annuities, pension scheme de-risking, buyouts;
- DC pensions, DC investment and lifestyle structures;
- The growing importance of employee benefits;
- The fiduciary management of pension scheme assets;
- Investment strategy and asset managers;
- Solvency II; and
- Re-insurance analysis & captives.

LCP is also a useful source of data to support your articles. We produce regular data-driven reports throughout the year on topics such as:

## **‘Accounting for Pensions’ report.**

LCP’s Accounting for Pensions report, now in its 24th year, reveals the state of FTSE 100 companies’ pensions.
