

Your business plan for 2021 – DB pension trustees

January 2021

With so much on the agenda for 2021, it can be difficult to know where to start, but we all know inertia is not an option. To help you plan your year effectively and make best use of meeting time, this business plan and [our checklist](#) ensure you will cover key topics during the year and starts to map them to meeting dates. To watch a video summary for each topic, [click here](#). Of course, your scheme's circumstances may lead to discussions occurring at different times to those shown below.
